## FUTURE PLANS and ORDERING INFORMATION

We are pleased to offer eight new Siberian Iris Introductions in 2022 and one newly named and described species. Check out the *I. probstii* seedlings listed under the Chinenses Section. We are also happy to be offering both spring and late summer shipping this year as well as a special shipping date for Pardancandas.

We are, however, planning to make some major changes to our offerings for next year. We can no longer maintain stock on so many varieties. 2022 will be the last year we offer many of these plants. You can see in this year's listing, those with two asterisks will not be offered next year. Most of these varieties are now available from other sellers. This is a difficult decision to make, but we feel it is necessary so that we can continue hybridizing new varieties.

Please visit our website where you can see multiple photos of many irises including clump shots and color variations. Please note that the website does not offer ordering on-line. It is merely intended as a photo companion to this catalog, where you can find views of the clump habits of plants as well as the flowers. Please use the ORDER FORM when ordering.

Unless noted as "potted", all plants are freshly dug and **SHIPPED BARE ROOT**. These plants are from lined-out divisions. For Siberians we guarantee to send a plant with at least three fans, though often they are larger. The potted plants will arrive in 2½ inch pots.

**SHIPPING DATES:** Please circle on the Order Form when you want shipment. There are three dates for Spring (April 11, 18, 25) and there are three dates for Late Summer Shipping (August 22, September 6, September 19). Those of you who live in the colder areas might want to plant in Spring or August to establish plants before the ground freezes (as we do). Those of you in warmer areas might want to put off planting until later in the summer when it is cooler. There is a **SPECIAL DATE** for Pardancandas either July 5 or July 11 depending on the season. This date will be our choice. See Pardancanda section for details.

All shipping will be by Priority Mail. Please add \$11 for 1-5 plants, \$12 for 6-10 plants, \$13 for 11-15 plants, and \$15 for over 15 plants. (MA residents must add 6.25% sales tax.) We will no longer be shipping overseas and will only accept foreign orders from Canada. Canadian customers - please contact us about additional charges for postage and phytosanitary certificate.

Please note, we **do not take credit cards** for payment so we cannot take orders by e-mail or phone, please send a check or money order. If you wish to contact us with any questions, send us e-mail at: [jpwflowers@aol.com](mailto:jpwflowers@aol.com) or call us at 978-371-0173. We are rarely in the house during the day and will most likely answer calls after dark.
