## ORDERING INFORMATION

Thank you to all our customers.

We are pleased to offer six new Siberian Iris Introductions as well as a new *Iris tridentata* from Darrell Probst called **Sopchopy Echo**. You can find it in the SPECIES section near the end under Tripetalae.

Please visit our website where you can see multiple photos of many irises including clump shots and color variations. Please note that the website does not offer ordering on-line. It is merely intended as a photo companion to this catalog, where you can find views of the clump habits of plants as well as the flowers. Please use the ORDER FORM when ordering.

Unless noted as "potted", all plants are freshly dug and **SHIPPED BARE ROOT**. These plants are from lined-out divisions. For siberians we guarantee to send a plant with at least three fans, though often they are larger. The potted plants will arrive in 2½ inch pots.

**PLEASE NOTE:** New this year: We are **limiting ordering to 3 of any one iris cultivar**. Pardancandas are limited to 1 of any cultivar. Bloodroot can be ordered in any quantity. If any plants are unavailable at shipping time you will receive a refund.

**SHIPPING DATES:** Please circle on the Order Form when you want shipment. There are three dates for Spring (April 15, 22, 29) and there are three dates for Late Summer (August 19, September 3, September 16). Those of you who live in the colder areas might want to plant in Spring or August to establish plants before the ground freezes (as we do). Those of you in warmer areas might want to put off planting until later in the summer when it is cooler.

There is a **SPECIAL DATE** for shipping Pardancandas – June 24. Unfortunately we have also had to pass on a \$15 surcharge on Pardancanda orders imposed by the USPS on the long boxes we use to ship.

All shipping will be by Priority Mail. Please add \$12 for 1-5 plants, \$13 for 6-10 plants, \$14 for 11-15 plants, and \$15 for over 15 plants. (MA residents must add 6.25% sales tax.) We will no longer be shipping overseas and will only accept foreign orders from Canada. Canadian customers - please contact us about additional charges for postage and phytosanitary certificate.

Please note, we **do not take credit cards** for payment so we cannot take orders by e-mail or phone, please send a check or money order. If you wish to contact us with any questions, send us e-mail at: [jpwflowers@aol.com](mailto:jpwflowers@aol.com) or call us at 978-371-0173. We are rarely in the house during the day and will most likely answer calls after dark.

You can see photos of the irises in this  
catalog on-line at [www.jpwflowers.com](http://www.jpwflowers.com)
